DISCUSSION BY COMMISSIONERS:

Commissioner Grant said he has a copy of the agenda for the upcoming Annual Conference (ACCA) and there were several areas the Commissioners need to look at to see what items they want the ACCA to promote to the Legislators.

Commissioner Statum asked everyone to remember their Census if they have not already completed it. We only have 65% participation in the County and this percentage needs to be more.
Commissioner Ramsey said he was having a get together at West End High School with Family Success Center to help people fill out their census, register to vote, and possibly donate blood. He also discussed the landfill issue and said he appreciated all the work that had gone on behind the scenes in finalizing that agreement.

Commissioner Washington said we had reached a point on the Census where people will start going door-to-door. He said if our numbers don’t increase, we may lose a seat. He said he was planning an event with Family Success on September 5th and he will have help for people to fill out their Census, voter registration, and a blood drive. This will take place on Tuscalooasa Avenue. He also thanked the staff for all they do.

**ADJOURN:** The Chair then entertained a motion to adjourn the meeting. Upon motion of Commissioner Joey Statum, seconded by Commissioner Johnny Grant, with all other members voting “yes”, the motion was passed. The meeting was adjourned at 10:15 am.
